Re: Public Records Request

Dear Ms. Leonard,

On behalf of Edward Tuffly, President, Local 2544, National Border Patrol Council, I am writing to request the disclosure of various documents and records detailed below. I am seeking these records pursuant to Arizona’s Public Records Law (A.R.S. § 39-101 et seq.). Mr. Tuffly has executed an authorization at the end of this letter.

The records I am seeking pertain to University of Arizona employee Terrance H. Bressi, an engineer in the Lunar and Planetary Laboratory. The documents I am seeking are as follows:

- Any and all documents evidencing Mr. Bressi’s days and hours of employment.
- Any and all documents evidencing Mr. Bressi’s use of a University vehicle during his hours of employment.
- Any and all documents on computers to which he has exclusive access indicating the websites he has visited. The documents sought include a detailing of the websites, uniform resource locators (URLs) aka uniform resource identifiers (URLs), accessed by Mr. Bressi during his work hours. These lists are automatically maintained as records by his computers and various other devices.
- Any and all documents on his university computer or computers that contain any of the following searchable words: “Border Patrol,” “checkpoint,” “checkpointusa.org,” “freedomsphoenix.com.”
I am requesting that the search for records include reviews of Mr. Bressi's computers, all servers connected to Mr. Bressi's computer, all backup devices and media including CDs, DVDs, external drives, and removable storage devices, and any portable University of Arizona computers issued to Mr. Bressi (the lists of websites, URLs and URIs contain date stamps to distinguish between internet activity taking place during his work and personal hours).

The documents are not being requested for commercial purposes. The documents are being requested to determine whether any evidence exists indicating that Mr. Bressi is engaging in private conduct and/or a commercial enterprise while being paid with taxpayer-supported university funds. My client will pay all reasonable copying charges pursuant to the public records law. If you have any questions regarding this request, please do not hesitate to contact me.

Very Truly Yours,

LAW OFFICE OF JIM E. CALLE, P.C.
