Terrence Bressi

Ref: Public Records Request dated 21 February 2008

Dear Terrence Bressi:

This letter responds to your public records request in which you asked to examine:

- All letters of complaint sent to the UA and authored by the President of the local Border Patrol Union, Edward "Bud" Tuffy II.
- Any other written or emailed complaints regarding this matter.
- Any audio recordings, including recorded telephone messages, relating to those or similar complaints.
- Any notes made by Linda Heffernan or Allison Vaillancourt regarding telephone interviews with those individuals who have filed complaints or called in complaints.
- A copy of your findings and recommendations regarding your investigation into this matter.

Accompanying this letter, the University is producing the public records that are responsive to your request. The following information from these records has been redacted or withheld in accordance with the balancing test established by the Arizona courts to protect either the confidentiality of information, privacy of persons, or a concern about disclosure detrimental to the best interests of the state, or pursuant to other statutes or case law restricting disclosure of such information:

- Attorney-client privileged communications.

Additionally, documents that are being withheld are listed on the attached index, including the reasons for withholding those records.
