SUPPLEMENTAL NARRATIVE:

Initial Case Narrative by R. Roher #5347 on 03/20/17 at 2014 hrs.

Total Dictation Time = 8:29 mins.

At approximately 1715 hours on 03/20/17, I was participating in Operation Stone Garden.

I was at the Border Patrol checkpoint located at Milepost #147 on Arizona #86 or Ajo Highway. At that point, Border Patrol agents took a vehicle to the secondary area. The vehicle was a Ford Ranger. It had Arizona license plate #BVS9878. The driver of the vehicle identified himself to me as Andrew Francisco. He had no identification (ID) on his person and he identified himself verbally to me providing a date of birth of [REDACTED]

I went to my patrol vehicle at the request of Border Patrol agents who indicated that [REDACTED] had no driver's license. I went to my Mobile Data Computer (MDC) in my car and ran [REDACTED] and found no record. Motor Vehicle Division (MVD) reported no record either. I ran a couple different permutations ultimately locating nothing.

I returned back to [REDACTED] asking him to identify himself and informing him that he was subject to arrest if he did not identify himself. He provided the same information, stating he was 21 years of age when asked for his age.

I placed the subject in handcuffs at that time as I felt that he was lying to me and also failing to produce a driver's license and ID as required by statute. I had also previously asked him for his Social Security Number (SSN). He stated he did not know it. At that point, he was asked what his middle name was. He provided the name of [REDACTED] I ran the middle name of [REDACTED] the last name of [REDACTED], with no first name, ultimately finding a [REDACTED] (DOB ***** This would be False Reporting to Law Enforcement because he provided a false name, [REDACTED] (DOB ***** when in fact his real name is [REDACTED] (DOB ***** There was a FORCE photo of [REDACTED] available. I looked at this and it appeared to match the same person. I also noted there was an indication of tattoos on his person, one of which was on his left wrist, which was Brazy. I asked [REDACTED] to stand up. He did so. At that point, I looked at his left wrist noting there was what appeared to be Brazy on his left wrist. I asked him what it said, and he stated Brazy. I informed him that I knew who he was and he could stop lying about his identity. He admitted that in fact his name is [REDACTED]

I found warrants for [REDACTED] out of Tucson City Court as well as South Tucson. The warrants were subsequently confirmed. I issued a citation to [REDACTED]

██████████ for False Reporting to Law Enforcement, Failure to Show or Provide ID, as well as No Valid License. The MVD system still indicated no license for him. In his FORCE record, I did note that he had what appeared to be an Arizona State ID number as well as an FBI number. The warrants were confirmed. He was transported by Sergeant B. P. Kunze #1115 to the Pima County Adult Detention Center where he was booked for the two misdemeanor charges on a citation as well as the three warrants. The warrants were out of TPD for Warrant #CR14129610 and Warrant #CR14137546, and South Tucson Warrant #CR0020140776.

██████████ did have \$67 on his person. He asked that that money be given to one of his passengers who was with him. I did speak briefly with the registered owner of the vehicle advising him that it was going to be immobilized. A copy of the paperwork was given to one of the other passengers so that it could be given to the owner.

I remained with the vehicle until Mobile Maintenance and Towing (MMT) arrived to remove it. Once they did so, Terminal Operations was contacted electronically, and after a verification number was obtained, it was submitted to the Vehicle Impound Unit (VIU) as well as MMT.

This concludes my involvement.
