EXHIBIT 2
Joseph Delgado, upon his oath, deposes and states as follows:

1. I, Joseph Delgado, make these statements in this Affidavit based on my personal knowledge of the facts stated herein.

2. The information in this Affidavit is intended to supplement or update information I have previously provided in other affidavits, declarations, my deposition or statements.

3. Since becoming the Acting Chief of Police of the Tohono O'odham Police Department (TOPD) in November, 2007 and subsequently the Chief of Police of
the TOPD in March, 2008, the position I continue to hold today, the TOPD has held
dvery few sobriety checkpoints be carried out on State Highway 86, and presently I do
not anticipate requesting any, for the reason that they are costly in manpower and
resources, and I believe that such manpower and resources are better spent in saturation
patrols that serve the same purpose and produce results as good or better than
checkpoints, while being available for all other matters associated with patrols during
the same time.

4. The TOPD does occasionally hold sobriety checkpoints, but they are likely to be on tribal land other than a state right of way.

5. Whether an officer at a checkpoint obtains a computer check on a driver’s license, or a registration, or a full wants and warrants check, depends on time, circumstances and the needs as determined by the officer handling that particular encounter.

Further Affiant sayeth not.
